The base of the **standard workstation** is 4' x 3' and accommodates three individual class periods.

The 4' x 3' base of the standard workstation can be enlarged to a 6' x 3' base, which provides a larger work area. This option is available for **\$290.00** more per workstation.

Additional supplies are needed to expand the workstation from three individual class periods to four or five individual class periods. They are available at a cost of **\$100.00 - \$150.00** per class period.

**Prices do not include shipping.
Some assembly required.**

A 6' x 3' base is recommended for stand-ups with more than three class periods.
